### Mission

Eastern Shipping and Transport is committed to be the number one choice in providing all our clients with the highest level of service while offering an excellent service orientated approach in addressing all their Shipping and solutions. Building relationships with our clients by gaining a comprehensive understanding of their business in assessing their current and forecasting their future requirements. We rate reliability first on our list of strengths.

### Vision

Eastern Shipping and Transport is committed to be the most reliable and efficient Shipping and Transport Service provider offering an extensive spectrum of related services and products, committed to service excellence and well-known for our integrity and ability to deliver.

### Approach

Eastern Shipping and Transport is a new 100% BBEEE and female empowering company that is focused on initiating a change in the country's freight industry.

We offer a fully integrated service from a fully committed and equipped team, capable of meeting every related need regardless of your requirement our approach remains the same. Our first priority is to gain a thorough understanding of the requirements of your business and then efficiently dealing with each task as they present themselves.

## Services

Eastern Shipping & Transport facilitates freight across these channels of transport

- Sea Freight
- Air Freight
- Land Freight.

### Customs Clearing

The technical team at Eastern Shipping and Transport is able to calculate tariffs and process customs documentation accurately and efficiently. The use of the latest electronic communications software means our systems are directly linked to the South African Customs Office, this enables our technical team to avoid potential paperwork related errors which significantly speeds up what is normally a labour intensive and time consuming process.

### Freight Forwarding

- Import and Export
- All modes of transport
- Authority liaison
- Documentation
- Crating (in house operator)

Eastern Shipping and Transport enjoys close contact with the world's leading airlines and shipping lines which allows for negotiations with all potential carriers in order to achieve optimum transit times at economical rates with zero compromise on safety.

Being Hazchem compliant means Eastern Shipping and Transport is able to handle all types of potentially hazardous cargo. Overall we are equipped with expertise to provide logistics solutions for an unlimited
